

Are you a tech savvy millennial looking to increase your resume or give back to your community?

Literacy Link Niagara is pairing 16 young digital mentors with 16 people who are looking to upgrade their digital tech skills.

You may make an awesome Mentor if you

- are between the ages of 16 and 29
- are confident in your skills in two or more of the following areas
 - o Social media (facebook, Twitter, youTube, wikis)
 - Microsoft Word basic
 - Microsoft Excel basic
 - Internet and Web browsing
 - o Tablet/Smartphone use and applications
- want to learn how to mentor
- are willing to meet one-on-one to mentor a client to upgrade their digital skills for a minimum of 6 meetings

Mentors who are successful in assisting a client to upgrade their digital skills will receive a reference letter for their portfolio and a \$50 gift card.
